A New Industry For Buffalo

The Buffalo Gravure Co. is the only plant in Buffalo, or within a radius of two hundred miles, equipped to produce Rotogravure, the latest and most beautiful type of printing and yet the most economical process.

We solicit all forms of commercial printing, catalogues, inserts, broadsides, etc.

Rotogravure gives to your pictures a distinctive, exclusive richness, a refinement that will add to your prestige and give greater impetus to your sales.

A thoroughly equipped plant with proficient personale is at your command. We invite inspection of our enterprise, where you may see the beautiful effects we can produce.

Better Photography

This beautiful symbol stands for better photography—with less effort, with less failure, with less investment of time.

For this symbol typifies the years of striving and learning concentrated in the Bausch & Lomb institution.

Tessar Anastigmat Lenses are the essence of the finest in lens manufacture, for they embody all the optical knowledge—the result of years of research—for which this organization is famous.

Every photographer—amateur or professional, who exposes through Tessars, works with the finest tools that can be made.

WE INVITE YOUR ACCOUNT

The Master Camera

All the knowledge and skill of sixty years' camera making have been concentrated in the Ansco V - P Speedex No. 3—a superb pocket companion for anyone who appreciates that which is the best of its kind.

With the finest of fine lenses and shutter equipments, it produces sharp, clear $2\frac{1}{4} \times 3\frac{1}{4}$ inch pictures in rain, sunshine or shadow.

ANSCO CAMERAS AND SPEEDEX FILM

The user of the V - P Speedex No. 3 can quickly change the speed, the lens opening and the focus without losing sight of the image in the "finder"—an exclusive Ansco feature which makes picture-taking easier and more certain.

The Ansco V - P Speedex No. 3 is extremely simple in operation, exceptionally beautiful in appearance and extraordinarily efficient.
